Ready to Work Communities

- Making Indiana “the State that Works” through certifying the workforce quality of Indiana counties
- Drives economic and workforce development both statewide and at the local level in a coordinated fashion
- State sets the framework of criteria; local community officials collaborate to develop an application
- Criteria could include:
 - Educational attainment levels/HS Graduation rates
 - Digital literacy
 - Soft skills development

College and Career Readiness Standards

- National K-12 Movement
 - “More substantive and lasting than a bagel breakfast”
 - www.ed.gov/teaching
- Moving forward with implementation of standards in adult education
- High School Equivalency Assessment RFP—released sometime this month

Closing out PY2012 Grants

- Funds must be *spent* by June 30, 2013
- DWD will send Fiscal Agents close out package in July for each grant
 - Close out packages should be returned asap
- Questions about grant close outs should be addressed to: Bill Clark
